Hats off to
those that check
their oil before
their journey.

A planned journey is a smoother journey.

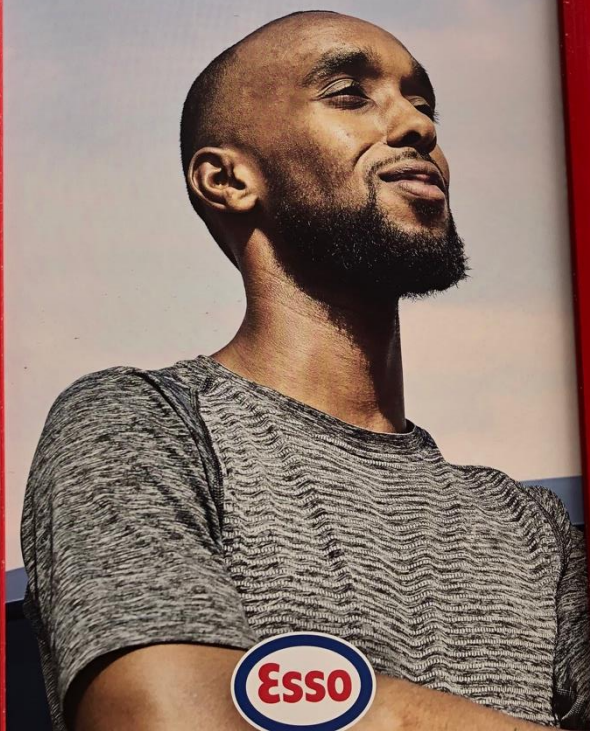

Those who fill
up the day
before travelling,
we applaud you.

A planned journey is a smoother journey.

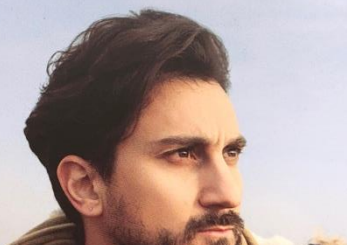

Here's to
everyone who
packed the
night before
travelling.

A planned journey is a smoother journey.

Those who
checked
their tyres,
we salute you.

A planned journey is a smoother journey.
